# Sutton Trout

My name is Sutton Trout.

I have lived in Potrero Hill as a homeowner, for the past 16 years @ 25<sup>th</sup> and DeHaro, just a block from Star King Open Space. I frequently visit the open space with my two dogs, Maggie May and Hugo. They like the views, the smells and the space to stretch! Simply put - SKOS is a big part of our lives – we visit every morning and sometimes as much as 3 times a day.

My career in the bay area has been spent working in video games, primarily in business development and marketing. I have served on boards in the past and am an advisor to a few tech companies currently. So while this would not be my first board seat, I can say with no doubt it would be the most interesting one for me.

- I'm beginning to learn about the wildflowers and other life in the space, and would be fun to learn more, and help maintain and protect them.

- I have a deep understanding of the bay area tech scene, and would be thrilled to access my Rolodex in efforts to make SKOS a better place and secure its future for generations to come.

Should I be elected to the SKOS board, I'd be honored to serve on behalf of the Potrero Hill community.

- Sutton
